

FLUSHIN' FRENZY™

game

SET UP:

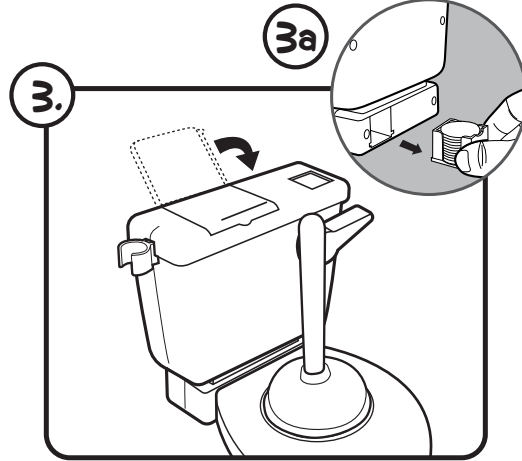

1. Assemble the toilet by plugging the toilet seat into the toilet tank and placing the plunger inside the toilet seat as shown.

2. Open the toilet tank lid and push "PooPer" all the way down into the launch chamber.

NOTE: if "PooPer" is not loaded properly the plunger mechanism will not work.

3. Close tank lid.

3a. Remove tokens from the compartment on the back side of the toilet and place them near the playing area.

4. Drop the die into the hole in the top of the toilet tank.

4/19/2018 remarked: per ES comment, on Step 3, added the image from the back to the front as show. Also on the back side of the instructions on the same image, reversed the arrow so the tokens are going into the toilet and not out of.

5/01/2018 remarked: per ES comment, we updated the copy for "let's play".

OBJECT:

Collect the Most tokens by catching the Poop!

LET'S PLAY!

The youngest player goes first. Play continues clockwise after that.

1. ON your turn, PUSH DOWN THE TOILET HANDLE UNTIL the die tumbles out of the toilet.
2. The NUMBER on the die indicates how many times you have to PLUNGE the toilet.
3. PUSH DOWN ON THE PLUNGER the number of times shown on the die (you should hear a **click** for every PLUNGE).
4. If nothing happens, PLACE the die back in the toilet and it's the next player's turn.

If "PooPer" LAUNCHES out of the tank on one of the PLUNGES, ALL PLAYERS QUICKLY TRY AND GRAB HIM!

The first player to grab "PooPer" earns one token. If a player catches "PooPer" OUT OF THE AIR, he or she earns two TOKENS!

Reload "PooPer", Place the die back in the toilet and continue playing.
